

Signature of Property Owner

Application is hereby made to the Town of Gerry for the issuance of a Pole Building Permit. The undersigned has submitted a completed application, plans, specifications, a site plan drawing, worker compensation documents, and a septic approval letter, which are hereto attached, incorporated into and made a part of this application. In consideration of the granting of the permit hereby petitioned for, the undersigned hereby agrees that if such permit is granted, he/she will comply with the terms pursuant to the Town of Gerry Zoning Code, the New York State Fire Prevention and Building Codes and Standards for construction of new buildings, and regulations of the New York State Department of Transportation. He/she will preserve the established building line; and have full notification to the Code Enforcement Officer upon start of construction, allow for periodic inspections, and that he/she will not use or permit to be used, the structure covered by this permit, until all inspections have been performed, building is completely finished, and a Certificate of Occupancy / Compliance has been issued. The undersigned hereby certifies that all the information in this petition is correct and true.

Signature of Property Owner _____ Date _____

1. The building permit placard MUST be displayed in a conspicuous location on the building site until construction is complete and a Certificate of Occupancy / Compliance is issued. A copy of all approved plans must also be kept on the premises at all times and must be available for inspection.

Pole Building Permit Application Process

List of required documents to be submitted for pole building permit application approval

All applicable documents listed below must be fully completed and submitted to this office prior to the issuance of a building permit. Failure to submit any of the required documents or submittal of any incomplete documents, will result in a delay of the building permit being issued.

- 1) Building Application - A FULLY COMPLETED POLE BUILDING PERMIT APPLICATION including date, full name and address, phone #, fax #, e-mail of applicant, property owner, and contractor. Building site address, section block and lot number, scope proposed work and signature of the property owner. (land contract owner signature shall not be approved)
- 2) Drawings - A drawing of ALL proposed work must be submitted prior to the approval of a building permit. Plans for all commercial applications and residential applications over 1500 square feet must submit TWO copies of stamped drawings by a licensed architect or engineer.
- 3) Site Plan - A site plan of ALL buildings on the lot including length, width and setback measurements from lot lines must be submitted prior to the approval of a building permit.
- 4) Workers Compensation Document - ALL PERMITS REQUIRE ONE OF THE FOLLOWING FIVE NYSWCB DOCUMENTS BE SUBMITTED PRIOR TO THE APPROVAL OF A BUILDING PERMIT
(All NYSWCB forms are submitted under penalty of perjury, a felony, carrying penalty up to four years in prison)
 - a) BP-1 Form..... If ALL work is being done by homeowner - no contractors working on project (40 hour rule) Form can be printed at www.wcb.ny.gov
 - b) CE-200 Form..... Exemption for sole proprietor contractor that is not required to carry workers comp Not a waiver of workers compensation (does not apply to subcontractors) Form can be completed at www.wcb.ny.gov or call 866-546-9322
 - c) C-105.2 Form..... For contractors covered by private N.Y.S. licensed insurance carriers (SI-12 Self Insur)
 - d) U-26.3 Form..... For businesses insured by the N.Y.S. insurance fund
 - e) DB-120.1 Form... For businesses with Certificate of Disability Benefits (DB-155 for Self Insurance)
- 5) Specialized Inspections - Third party inspectors are required for all specialized inspections and must be identified prior to the approval of a building permit - electrical inspectors, structural steel inspectors, elevator inspectors, asbestos & lead removal, etc. All third party inspectors must be identified by business name, address, phone #, fax #.
- 6) A Certificate of Occupancy can be obtained at the building inspectors office after final inspection and any or all remedies have been completed.
